Inauguration of Solar Electric Vehicle (EV) Charging Stations setup by BHEL at Haryana Tourism Resorts on Delhi- Chandigarh Highway

Sh. Arvind Ganpat Sawant, Hon'ble Union Minister of Heavy Industries and Public Enterprises, inaugurated five solar-based electric vehicle charging stations at various tourist resorts of Haryana Tourism on the Delhi-Chandigarh Highway namely at Kingfisher Tourist Complex at Ambala, Parakeet Tourist Complex at Pipli, Oasis Tourist Complex at Karnal, Skylark Tourist Complex at Panipat and Blue Jay Tourist Complex at Samalkha on 30th August, 2019.

Also present at the inauguration were Sh. Vijai Vardhan, Additional Chief Secretary, Tourism, Haryana; Dr. Nalin Shinghal, Chairman & Managing Director, BHEL; Sh. Praveen Agarwal, Joint Secretary, Department of Heavy Industry (DHI); Shri Vikas Yadav, Managing Director, Haryana Tourism

Corporation; Smt. Manita Malik, General Manager (Admn), Haryana Tourism Corporation ; Shri Dilawar Singh, General Manager, Haryana Tourism Corporation, along with other senior officials of DHI, BHEL and Haryana Tourism.

The high tech and user - friendly electric vehicle charging stations will provide convenience to travellers commuting on electric vehicles on the Chandigarh-Delhi Highway and also help in environment protection. With such a facility highway travelers can not only charge their electric vehicles but also enjoy the much needed break at the alluring

Haryana Tourism Resorts, where they can enjoy sumptuous food or even a luxurious stay with the best of amenities.

These five charging points at the tourist resorts are part of the phase -I of the project. Phase-II, which is under consideration, proposes to install such electric charging points in other tourist resorts across the state of Haryana.
